

# University of Idaho

University Honors Program

Choose two of the writing prompts listed below and craft a short essay for each prompt of no more than 250 words per essay. Upload your work as a Word doc or PDF when applying online. Unfortunately, we cannot accept Google docs links.

1. Describe your interest in joining the Honors Program at the University of Idaho. What motivates you to join the program and the honors community? What about an honors education appeals to you and why?
2. Describe your proudest academic or personal achievement. Why does it stand out in your memory and why is it important to you? Please limit yourself to just one example.
3. Describe some of your academic or personal goals. Why are these goals important to you and what steps have you taken to accomplish these goals? Provide at least one example that demonstrates your perseverance.
